SAFETY AND TEAM DYNAMICS

WE ARE THE HANDS AND FEET OF CHRIST!

1 Peter 4:10 states: "God has given each of you some special abilities; be sure to use them to help each other, passing on to others God's many kinds of blessings." (LB)

As the Hands, Feet, and Body of Christ; using and developing the skills and abilities God has blessed us with allows our team to work as a finely-tuned machine - with hands operating as hands and feet operating as feet!

Through interactive group exercises, participants will develop a strategy to use their unique abilities as an essential part of their team's "body".

Worksite safety training helps prevent these essential team members from losing their hands and feet!

DISCIPLESHIP—LEADERSHIP—CULTURE

MAKE AN EVERLASTING DIFFERENCE!

"I'm here, ready to serve"

Great...but there's so much more!

As followers of Jesus Christ, we have a message that can repair more than just homes! Meeting the physical needs of a family opens the door for us to share the Gospel, but understanding their culture and creating ways to bond with them are essential to keeping the door open!

FOR PASTORS AND GROUP LEADERS ONLY:

The focus of this unique course includes:

- Being a Hero to your group!
- Keeping all members active and involved
- Overcoming tendencies to "Do it all yourself"
- Overcoming a lack of technical experience
- Creating leaders out of team-members
